

The enhancement of the role of citizens: good daily energy practices, their inclusion in the SEAP and exploitation of results

Friday 27 March 2015 (9.00-13.00)

Quartu Sant'Elena , city hall of the municipality

Local and regional authorities have a key role in achieving the EU climate and energy goals and in mobilizing citizens and local stakeholders. The successful implementation of the Seap depends to a high extent on the human factor. This event will showcase, in the context of the Covenant of Mayors and of the regional policies on climate and energy, the initiatives and the tools to facilitate the participation of citizens in the Seap process and in energy and climate change policies of the local authority .
